### The 40-70 Rule Workshop June 5th

The Village at Morse Farm will be hosting Home Instead for their 40-70 Rule Workshop. This workshop is about bridging the gap between senior and their families. The 40-70 rule means that if you are 40, or your parents are 70, then it is time to start the conversation about difficult topics. During this presentation we will talk about tips and techniques for starting conversations, difficult situations and solutions, and available resources. This workshop will be open to the public, so if you know of anyone that could benefit from this, please feel free to invite them!
