We hope that everyone is benefitting from this service.

Take Charge of Your Health Workshop

Macoupin County Health Department will be at The Village starting on June 23rd at 1:00 p.m. for a "Take Charge of Your Health" workshop. They will be discussing a lot of information regarding your health, doctors, and conditions. We hope that you can join us for this class, as it will be beneficial to everyone!

Guest Meals

The Village would like to remind everyone that when you are having a guest for a meal that it is very important to let us know in advance. We have been experiencing a large number of unaccounted for guests at mealtimes. We love having everyone here for lunch, but in order to properly prepare enough food, it is greatly appreciated if we know of any guests beforehand. You can always call in a guest, or let us know at the front desk. If you have any questions, please let us know!
