Entertainment

In January we had a lot of entertainment the Clever Clover 4-H Club came the first Sunday in January and provided us with cookies, drinks and entertainment. The residents commented on how nice and polite all the children were. We wish they could come more often. Also the kindergarten children came in January to do their Christmas program it had been rescheduled because of the snow. The children sang at the top of their lungs and several of the children had solos. We all agreed the children were so cute and well behaved.
