JUST TALK

Carlinville Area Hospital to Draw Labs

Carlinville Area Hospital will be out at the Village on Thursday February 9th, and Thursday February 23rd to draw for lab work. If you need to be seen, please let Shannon know. We hope that this service will help everyone out especially in the colder months.

Breakfast at The Carlinville Plaza Café February 29th

The Village will be going out to the Carlinville Plaza Café for breakfast this month. Anyone that would like to join please sign up at the front desk no later than Monday, February 27th. We will be meeting in the lobby at 6:45 that morning. Residents will be responsible for the cost of their meal.

E-Mail System

As many of you know, the e-mail system is up and running. If you would like to be added to our list, please e-mail Kelsey at kelsey@villageatmorsefarm.com. We hope that you find this helpful. Kelsey has also been including the monthly calendar along with newsletter every month, and we hope that you are finding this nice to have too. If you have any other suggestions please feel free to contact Kelsey.

Shopping Day

The Village would like to remind everyone that if you are in need of things from Wal-Mart on Wednesday mornings, it is necessary to have cash. Wal-Mart's policy will no longer let a Village employee pay by check. If you are needing cash please try to get some in advance, as Wednesday's are a busy morning and it makes it difficult to make it to the banks to cash checks. Thanks!

Transportation

Transportation is a busy part of our day to day schedule. We would like to remind everyone that we need 24 hour notice on ALL local transportation. If it is possible also try to refrain from making any appointments on Wednesday's as shopping can take up a good part of our morning. Thanks again.
