Motorized Scooters

Scooters are welcome in our building, however we must remind you that damage caused by your scooter will be a charge to you as a resident. We want to keep your home looking as fresh and new as possible. Most apartments are not designed to accommodate a scooter, so it would be best if scooter use is limited to in the hallways. If you need assistance parking your scooter in your apartment, a staff member will be happy to assist you.

Emergency Response System

Each apartment is equipped with an emergency call button and an emergency pull cord in the bathroom. At the Village of Morse Farm your safety is our utmost priority. If you are in need of any assistance please remember to utilize the call system.

Podiatrist

We work with a podiatrist that visits every three months. Medicare only pays for this service every 90 days. Many local salons offer pedicures and this may help in between time that the podiatrist is not available. These appointments are set up on an individual basis and the pedicurist is welcome to use our salon facilities. If you need help with finding a pedicurist, please don't hesitate to ask. The podiatrist will be here in August, we will announce the date once it has been scheduled.

Resident Satisfaction Survey

Thank you to all the resident that took time to fill out our Resident Satisfaction Survey. According to the survey the majority of residents do not utilize our suggestion boxes to make comments or concerns. We are always eager to hear from you. There are several ways that this may be done, such as utilize our suggestion boxes that are located in the central dining room and in the front hallway next to the bulletin board or attend the monthly resident meetings. Plus the Managers are available to hear your suggestions, concerns or questions.

Happy 4th of July

The Village at Morse Farm...
*"where neighbors become friends
 & friends become family."*
