### Grandparents Day ~ September 13th 2009

Grandparents are special people with wisdom and pride. They are always offering love and kindness and are always there to guide. They often make you feel so confident and strong. Their arms are always open no matter what you did wrong. They try to help out in every way that they can. They love all their grandchildren the same whether you're a child, woman or man. They are always there to listen and to lend a helping hand. They show you respect and they try to understand. They give their love, devotion and so much more, that's easy to see, Grandparents, what perfect examples of the kind of person that we should be. ~Author Unknown~

**HAPPY GRANDPARENTS DAY TO ALL OUR RESIDENTS!!**

### Housekeeper Week September 13-19th

Housekeeper week is recognized during the week of September 13th thru the 19th. Our Housekeeper is Margaret Vaughn. She has been employed with us for a little over a year now and we want to take this opportunity to give you a special thank you for your dedication to your job and the residents.

### No Parking

Just a reminder that there is no parking allowed under the arrival hood located at the front entrance to the building. This area must be kept clear for emergency vehicles. If you are picking up, dropping off, unloading or loading a vehicle you may leave your vehicle in this area for a brief period of time.

### Transportation

Transportation is becoming a busy schedule from day to day and we would like to remind everyone that we need 24 hour notice on ALL transportation. If it's possible also to try to refrain from making any appointments on Wednesday mornings as that is our scheduled shopping time.
